

Faculty Recruitment Announcement

National University of Tainan

Department of Materials Science

I. Position Available:

One full-time faculty position as an assistant professor or higher.

II. Scheduled Start Date:

August 1, 2026 (depending on the required administrative paperwork).

III. Application Deadline:

Feb 13, 2026 (based on postmark date).

IV. Qualifications:

1. Academic Degree:

Ph.D. in Materials Science or related field from an institution recognized by the Ministry of Education, Republic of China (Taiwan). Doctoral candidates who have not yet obtained their degree will not be considered.

2. Specializations:

Academic expertise in nanotechnology, energy, optoelectronic materials or semiconductor-related fields.

3. Experiences:

Preference will be given to candidates with relevant research, teaching, or industry experience.

4. Appendix Publications:

At least two academic journal articles (published or accepted) with full-text peer-review systems, published since 2020 in reputable domestic or international journals. (Proof of acceptance is required for articles not yet published.)

5. Teaching Capability:

Ability to teach in both Mandarin and English, with the obligation to offer at least one full English or EMI (English-medium instruction) course per semester.

V. Application materials:

1. Please complete for the four forms: Basic Information Form for Faculty Application – NUTN, Academic Summary Form, Notification and Letter of Consent to Personal Information, and Statement on the Applicant's Household Registration in the People's Republic of China or Possession of a PRC Passport, ID Card, or Residence/Settlement Permit (Appendix 1, 2, 3 and 4), and provide both hard copies and electronic files.

2. Please provide copies of all academic degree certificates (bachelor's and above), and academic teaching rank accreditation certificates (if any).
3. If you hold a foreign doctoral degree, please send your degree certificate (or temporary proof of graduation certificate) and academic transcripts (during the undergraduate and postgraduate years) to the Bureau of Consular Affairs, Ministry of Foreign Affairs, Republic of China (Taiwan) for degree verification.
4. If you do not have an assistant professor academic teaching rank accreditation certificate from the Ministry of Education at the time of application, please provide an abstract of your doctoral thesis in Chinese or English.
5. Please provide past transcripts of under-graduated and graduated programs. Those with more than three years of full-time teaching experience in public or private universities in Taiwan or associate professors/full professors are not required to attach transcripts of past years but should attach the subjects taught and course syllabus.
6. Please provide a list of academic publications from the past five years (2020–2025), including the 2024 Impact Factor, journal's ranking in relevant fields, and author identification. In addition, please submit an abstract or photocopy (up to five articles) of significant academic publications.
7. Please provide one copy of a) relevant experience and b) academic expertise certification documents each.
8. Two letters of recommendation.
9. Please provide a future research plan (1–2 pages).

VI. Remarks:

1. Mailing Address:

Personnel Office, National University of Tainan, No 33, Sec. 2, Shu-Lin St., West Central Dist., Tainan City 700301, Taiwan. Please clearly mark the envelope: "Application for Full-Time Faculty Position at the Department of Materials Science."

2. For other application-related inquiries, please contact Ms. Fang at +886-62133111 ext. 661, and email the electronic copies, including Appendix 1, 2, 3 and 4, to material-1@pubmail.nutn.edu.tw with the subject line: "Application for Full-time Faculty Position at the Department of Materials Science – [Applicant's Name]".

3. The academic qualifications specified in the selection refer to the departments (disciplines) and graduates from public or registered private or domestic and foreign universities (colleges) recognized by the Ministry of Education, Republic of China (Taiwan).
4. Newly appointed full-time faculty members shall fulfill administrative responsibilities at NUTN for two years.
5. Applicants are required to conduct a full teaching demonstration in English during the interview.
6. Applicants are responsible for retaining copies of their submitted materials, as documents will not be returned. If you wish to request the return of journals, publications, and other documents, please include a stamped, self-addressed return envelope.
7. If fewer than ten applications are received, the announcement period for the position may be extended accordingly.
